The image shows the 'Log On to Windows' screen from the Windows XP Professional operating system. The window has a blue title bar and a blue header area. In the header, the Windows logo is displayed next to the text 'Microsoft Windows xp Professional'. Below the logo, the copyright information 'Copyright © 1985-2001 Microsoft Corporation' is visible on the left, and the 'Microsoft' logo is on the right. The main area of the window is light beige and contains the login fields. The 'User name:' label is followed by a text box containing 'ADEQ\XXX'. The 'Password:' label is followed by a text box filled with black dots. Below these, the 'Log on to:' label is followed by a dropdown menu showing 'ADEQ' and a small downward arrow. At the bottom of the window, there are four buttons: 'OK', 'Cancel', 'Shut Down...', and 'Options <<'. The 'Options <<' button is highlighted with a blue border.
